

Teeth

Across

- 1) a hole in your tooth
- 5) using a waxy string to clean your teeth
- 8) the inner layer of your tooth
- 9) the hard surface that protects your tooth
- 10) the top layer of your tooth

Down

- 2) flat teeth in the front of your mouth
- 3) a sticky film on your teeth
- 4) the teeth rip food into chunks
- 6) how we keep our teeth clean
- 7) the lumpy, bumpy teeth in the back of your mouth
